Information about Appeals

If a person or public body would otherwise have an ability to appeal the decision of the Council of the City of Markham, or the approval authority, to the Ontario Land Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to the City of Markham before the by-law is passed, the person or public body is not entitled to appeal the decision. If a person or public body does not make oral submissions at a public meeting or make written submissions to the City of Markham before the by-law or draft plan of subdivision is passed, the person or public body may not be added as a party to the hearing of an appeal before Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

That means if this zoning by-law amendment or draft plan of subdivision is appealed to the Ontario Land Tribunal and you would like to participate in the appeal in some form, you should make an oral submission at a public meeting, or submit written comments to the City Clerk, before the applications are approved by Markham City Council.
